Re: **MELISSA SAMUELS v. URBAN ASSEMBLY CHARTER
SCHOOL, ET. ANO.**
Docket No. 23-cv-01379-RA

Dear Judge Abrams:

The undersigned represents the defendants, Urban Assembly Charter School for Computer Science d/b/a Comp Sci High and David Noah, in the above-referenced matter. At this time, the parties write to provide a status in anticipation of the post-discovery conference currently scheduled for August 30, 2024.

We recently had a status conference with Judge Parker. At that time, we advised the Court that the plaintiff still owed us authorizations. Plaintiff has recently sent those authorizations and we are processing the same. Judge Parker had afforded us time to get the medical records and assess whether any defense experts are needed. The defendants are to write to Judge Parker if they wish to retain an expert. In addition, Judge Parker scheduled a settlement conference for October 8, 2024.

In terms of dispositive motions, the defendants intend to move for summary judgment at the close of discovery. In addition, the defendants had previously filed a motion to dismiss. We are still waiting on a decision on that motion. The defendants would request a briefing schedule that allows for time to receive that decision first.

Thank you for your time and attention to this matter.

Respectfully submitted,
